

To Our Valued Colleagues and Clients,

We wanted to update you on how we are handling COVID-19. Since we are a remote company, our staff and services will be completely uninterrupted throughout this time. So, rest assured that we will continue to be able to offer you the quality of service you have been used to.

We hope your business is able to handle these difficult times effectively as well. If you have any questions about transitioning to a remote working environment, please do not hesitate to ask since we have lots of experience!

With more people working remotely, we envision increased website traffic. If you need assistance with your website, feel free to contact me directly at 832-594-5390 or by email at brian@upstreammarketing.net.

Wishing the best for you and the people in your life.

Most Sincerely,

Brian Bearden
